WARDROBES

MIRRORED

COLLECTION

MIRRORED

Collection

*Designed to decorate the interior
like a jewel.*

Drawing from the heritage of excellent craftsmanship and combining them with technological innovations and years of experience, we create furniture that delights with the craftsmanship and unique, rich design.

They are perfect for elegant, traditional Victorian inspired homes and can be combined with other antiques.

Mirror furniture beautifully illuminates the room, creating the illusion of a much larger room.

*I am passionate about making
beautiful, high-quality, bespoke
furniture.*

Piotr Piwko - Owner

ARCH

Wonderful

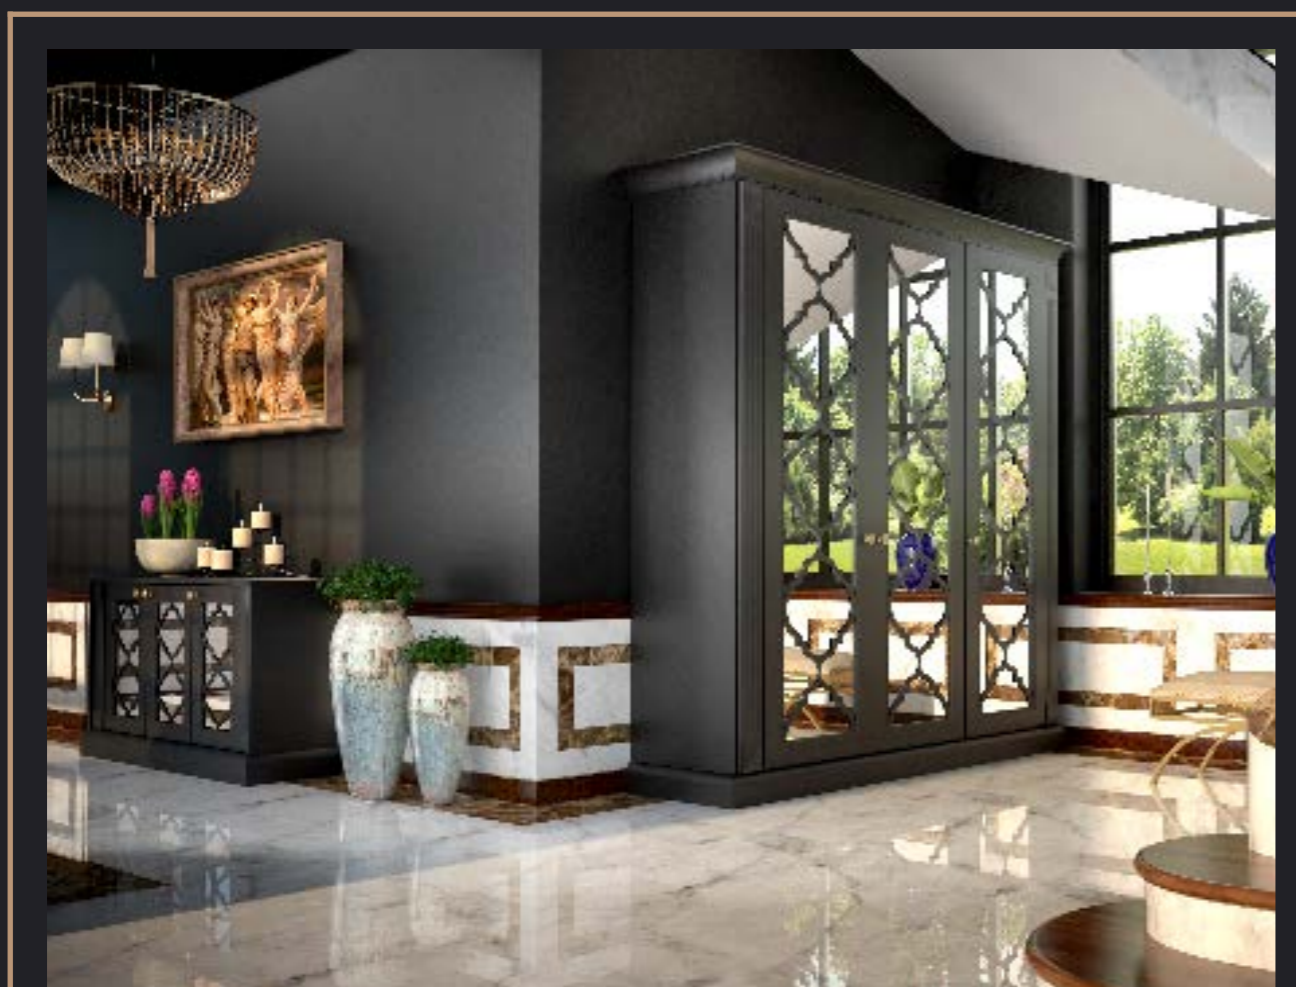

A wonderful, tall wardrobe and bedside cabinet.

Geometrically shaped arched fronts give a slight hint of cathedral style.

CLOVER

Impressive

Impressive wardrobe and matching chest of drawers in a deep graphite shade.

Fronts decorated with elements consisting of a symmetrical shape of a four-leaf clover.

DIAMOND

Beautiful

Beautiful, our most popular design in pure white.

The diamond-shaped fronts give the room a luminous atmosphere.

ELLIPSE

Sensual

Sensual pattern in a subtle shade of pale pink.

The ellipse shape on the fronts adds feminine chic and class.

RADIANT

Elegant

An elegant wardrobe and a chest of drawers with a pattern of symmetrically arranged rectangles and radiant elements.

It can perfectly match the luxurious interiors in the art deco style.

WINDOWS

Stylish

A stylish wardrobe in a shade of warm magnolia.

Fronts consisting of a multiple small rectangles against the background of tinted glass look very original.

SQUARES

Classic

Classic, simple design in a shade of warm white.

Perfect for those looking for a versatile wardrobe that will suit any bedroom.

RECTANGLES

Fashionable

Fashionable, transparent design in a shade of gray with mirrors along the entire length.

It fits perfectly into rooms with low ceilings, thanks to which the room will seem higher than it actually is.

FRONTS STYLES

The wardrobes can be painted in any color from the extensive RAL palette.
